

The Boundary Commission for England (BCE) is redrawing constituency boundaries in order to rebalance the number of electors represented by each MP, and a final consultation on proposed new constituencies is now open. A new revised map of constituency proposals, which takes into account feedback sent in by the public on the initial proposals, has been published on the consultation website www.bcereviews.org.uk . Send in your views before the closing date of 5 December to have your say on new parliamentary constituency boundaries.
