Dear Julie,

**Re: Chiddingly Parish Council**  
**Internal Audit Year Ended 31 March 2023 – Year-End Audit report**

### **Executive summary**

Following completion of our year-end internal audit on 24 April 2023 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Chiddingly Parish Council are well established and followed.

### **Regulation**

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

### Independence and competence

Your audit was conducted by Michelle Webber on behalf of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor has over 26 years' experience in the financial sector with the last 11 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

### Engagement Letter

An engagement letter was previously issued to the council covering the 2022/23 internal audit assignment. Copies of this document are available on request.

### Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

#### A. BOOKS OF ACCOUNT

##### **Internal audit requirement**

*Appropriate accounting records have been properly kept throughout the financial year.*

##### **Audit findings**

The year-end audit was conducted on site with the Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit, and I have the impression that accounting records are neatly maintained and easily accessible. Other information was reviewed through discussion with the Clerk and a review of the council website [www.chiddingly.gov.uk](http://www.chiddingly.gov.uk)

The council continues to use the Rialtas Business Solutions (RBS) accounting package for recording the day-to-day financial transactions of the council. This is an industry specific accounting package and I make no recommendation to change. The system is used regularly to record transactions and produce management information reports for review at monthly council meetings.

#### B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

##### **Internal audit requirement**

*This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.*

##### **Audit findings**

*Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.*

The External Auditor's Report for 2021/22 was not qualified and has been published on the council website along with the Notice of Conclusion of Audit. This was reported to council at the meeting held on 27 September 2022 (minute ref 13.4).

Under 'other matters' the External Auditor commented - None

*Confirm by sample testing that councillors sign statutory office forms.*

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides details of councillors and includes their individual Register of Members' Interests Forms via an external link to Wealden District Council website.

*Confirm that the council is compliant with the relevant transparency code.*

As the council's income and expenditure exceeds £25,000, it is not a statutory requirement to follow the requirements of the Local Government Transparency Code, although it is recommended best practice to do so. There are 5 years of AGAR, notice of elector rights on the Councils website as per the new requirement.

*Confirm that the council is compliant with GDPR.*

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The council has a Accessibility Statement on the home page of its website, but does not have a The Privacy statement this was mentioned at the last audit, I discussed this with the clerk and the IT provider had been approached to provide this but as yet not been completed, The clerk advised it would be upload in 2023-2024.

*Confirm that the council meets regularly throughout the year.*

In council meets on a monthly basis alongside Full Council there is the Planning committee. There is a meeting schedule on the council website, along with historic agendas and minutes for council and committee meetings.

*Check that agendas for meetings are published giving 3 clear days' notice.*

I was able to confirm that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting. All supporting documentation is provided on the website along with the agenda.

*Check the draft minutes of the last meeting(s) are on the council's website.*

Draft minutes are uploaded to the council website, ordinarily within 10 days of the meeting taking place. They are noted on the on the website page that all minutes are draft until adopted at the subsequent meeting.

*Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.*

The Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council at the meeting held on 14 June 2022 (minute ref 7).

*Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.*

Financial Regulations are based on the current NALC model and were last reviewed and adopted by council at the meeting held on 10 May 2022 (minute ref 15). The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

*Check that the council's Financial Regulations are being routinely followed.*

The council has thresholds in place at which authorisations to spend must be obtained as below:

*FR 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:*

- *the council for all items over £500;*
- *the Clerk, in conjunction with Chairman of Council, for any items below £500.*

*Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the Clerk, and where necessary also by the appropriate Chairman.*

*Contracts may not be disaggregated to avoid controls imposed by these regulations.*

*FR 4.5. In cases of extreme risk to the delivery of council services, the clerk may authorize revenue expenditure on behalf of the council, which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £500. The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.*

Based on the level of financial activity of the council, these authorisation thresholds appear appropriate.

I tested a sample of invoices and found these had been approved in accordance with the thresholds contained within the Financial Regulations, and approval, where needed, recorded in the minutes of meetings.

The council has Financial Regulations in place regarding the award of contracts, and this includes:

*FR 11.1 (h) When it is to enter into a contract of less than £25,000 in value for the supply of goods or materials or for the execution of works or specialist services other than such goods, materials, works or specialist services as are excepted as set out in paragraph (a) the Clerk or RFO shall obtain 3 quotations (priced descriptions of the proposed supply); where the value is below £3,000 and above £500 the Clerk or RFO shall strive to obtain 3 estimates. Otherwise, Regulation 10 (3) above shall apply.*

I tested a sample of contracts and tenders awarded during the year and was able to confirm the thresholds contained within the Financial Regulations were applied.

*Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.82 per elector.*

The council had 3 items of expenditure totalling £645 of section 137 expenditure during the year which is within thresholds.

***Check receipt of VAT refund matches last submitted VAT return.***

The council submits its VAT return on a yearly basis. I reviewed the submission for the period ending 31 March 2023 which showed a refund amount due of £3,215.92. I was unable to confirm receipt of this amount to the council's bank account due to filing date pending, this will be reviewed at next audit. I was able to locate the VAT return for 2021-2022 of £2424.04 received in the bank 14<sup>th</sup> June 2022.

***Confirm that checks of the accounts are made by a councillor.***

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

**C. RISK MANAGEMENT AND INSURANCE*****Internal audit requirement***

*This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.*

**Audit findings**

The council has a risk management policy which reviewed and approved by council at the annual council meeting held on 10 May 2022 (minute ref 15). I reviewed the policy and the risk assessment record, which details the types of risk identified, who might be harmed and how, assigns a perceived risk level, records action taken and how the risk is managed. This type of approach is suitable for a council of this size. It was recommended at audit in 2021-2022 – *add a column where the risks are categorised as high, medium or low.* This was discussed at Council in June 2022 and agreed to review it. It was discussed at Council and council felt it was not necessary to do this, I advise about maybe a column in L, M, H instead of colour coded as per the Local Governance and Accountability template.

I confirmed that the council has a valid insurance policy in place with Zurich Municipal which expires on 1 June 2025 (3-year policy). The policy includes Public Liability £12M and Employers Liability cover of £10M and a Fidelity Guarantee of £250,000 which is sufficient for a council of this size. The listed asset cover appears appropriate based on the items recorded on the council's asset register.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

*"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."*

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

**D. BUDGET, PRECEPT AND RESERVES*****Internal audit requirement***

*The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.*

**Audit findings**

The council set a precept of £39,900 for 2022/23. With a tax base of 501.8, this equates to a band D equivalent of £79.51 (compared to the average in England of £74.81).

The Clerk confirmed that the 2023/24 budget setting process and precept setting was completed at the meeting held on 8 November 2022 (minute ref 9.8).

The Clerk presents the budget performance information at every council meeting for review. This shows spend against budget although it is currently missing a 'percentage spend' figure, which may help councillors understand the information more clearly.

The accounting records show that the council ended the year with income reported as 127.6 % of budget and expenditure reported as 135% of budget.

The council holds £42,205 in earmarked reserves (EMR), spread across a range of clearly identifiable projects. I checked the purpose of these EMRs with the Clerk and am satisfied they are all for legitimate future planned projects of the council.

The council also holds £19,697 in the general reserve.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states '*the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure*' (para 5.33).

The general reserve balance is within the recommended range.

## **E. INCOME**

### **Internal audit requirement**

*Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.*

### **Audit findings**

The precept accounts for 100% of the council's budgeted income.

Apart from the precept, the council has limited income sources.

Unbudgeted amounts received during the year came from CIL income and Interest. From a review of the accounting records, income appears to be recorded with sufficient narrative detail to identify the source and allocated to the most appropriate nominal code.

## **F. PETTY CASH**

### **Internal audit requirement**

*Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.*

### **Audit findings**

The council has no petty cash.

## **G. PAYROLL**

### **Internal audit requirement**

*Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.*

### **Audit findings**

The Clerk is the only employee and has a signed contract of employment, based on the NALC template. I was able to verify that the salary is aligned to the NJC scale point range.

The council uses a third party for processing payroll, who calculates the PAYE and pension deductions. I reviewed the payslips for [enter months] and the payroll deductions appear correct. The salary payments are authorised and paid by the council in the same way as other payments.

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and confirmed that this includes only salary payments, HMRC payments and pension contributions.

There are councillor's allowances paid half yearly.

## H. ASSETS AND INVESTMENTS

### **Internal audit requirement**

*Asset and investments registers were complete and accurate and properly maintained.*

### **Audit findings**

The council has a fixed asset register in place which includes details of asset location, date of acquisition, cost or proxy cost, condition, estimated useful life and insurance and replacement values. Assets are correctly listed at cost/proxy cost, or where gifted/donated, given a nominal £1 value for the purpose of the asset register.

I confirmed the asset register total matches that included in box 9 £70,386 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register.

I confirmed the council has no PWLB borrowing.

## I. BANK AND CASH

### **Internal audit requirement**

*Periodic and year-end bank account reconciliations were properly carried out.*

### **Audit findings**

Financial regulation 2.2 states 'On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman or a cheque signatory shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council'

Bank reconciliations are completed monthly and presented to council at every meeting for review. I reviewed the March 2023 bank reconciliation and was able to confirm the balances to the bank statements and found no errors.

I noted that the reconciliation and bank statement have been signed in accordance with Financial Regulation 2.2.

Balances held are within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS).

## J. YEAR END ACCOUNTS

### **Internal audit requirement**

*Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.*

### **Audit findings**

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

**Section 1 – Annual Governance Statement**

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

**Audit findings**

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement for the box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2021/22.

The variance analysis has been completed to explain the variances exceeding 15% where required, and in my opinion, contains sufficient narrative and quantitative information for the External Auditor.

**K. LIMITED ASSURANCE REVIEW****Internal audit requirement**

*IF the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2021/22 AGAR tick "not covered")*

**Audit findings**

The council did not certify itself exempt in 2021/22 due to exceeding the income and expenditure limits and this test does not apply.

**L: PUBLICATION OF INFORMATION****Internal audit requirement**

*The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation*

**Audit findings**

This internal control objective has changed since last year. Where previously it related to the relevant Transparency Codes, a council with annual turnover exceeding £25,000 was recommended to follow the Local Government Transparency Code 2015, but it was not a statutory requirement.

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

**13(1)** An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

**13(2)** Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for the last five years.

**M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS****Internal audit requirement**

*The authority has demonstrated that during summer 2022 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.*

**Audit findings**

Inspection – key dates	2021/22 Actual	2022/23 Proposed
Date AGAR signed by council	14 June 2022	13 June 2023
Date inspection notice issued	17 June 2022	16 June 2023
Inspection period begins	20 June 2022	19 June 2023
Inspection period ends	29 July 2022	28 July 2023
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2021/22, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2022/23 meet the statutory requirements.

**N: PUBLICATION REQUIREMENTS****Internal audit requirement**

*The authority has complied with the publication requirements for 2021/22. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.*

Before 1 July 2022 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited
- Section 1 - Annual Governance Statement 2021/22, approved and signed, page 4
- Section 2 - Accounting Statements 2021/22, approved and signed, page 5

Not later than 30 September 2022 authorities must publish:

- Notice of conclusion of audit
- Section 3 - External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

#### Audit findings

I was able to confirm that the Notice of Public Rights is published on the council website along with the Notice of Conclusion of Audit and External Auditor Report and Certificate and the publication requirements for 2021/22 have been met.

#### O. TRUSTEESHIP

##### Internal audit requirement

*Trust funds (including charitable) – The council met its responsibilities as a trustee.*

#### Audit findings

The council has no trusts.
